

HARK Suggested Tuesday Net Script (1/27/26)

Hello! This is <name & call sign>, net control for tonight's Hassayampa Amateur Radio Klub net. We meet Tuesday nights (except meeting nights) at 7:30 P.M. on the Yarnell Hill repeater at 146.620 MHz, 162.2 PL. Everyone is welcome.

This is a directed net. Please pass all traffic through Net Control. Stations with emergency or priority traffic may break in at any time. Is there any emergency or priority traffic? (Listen)

The next club meeting will be Tuesday, February 10th, at 6:30 in the Community Center (formerly Activity Center) at North Ranch RV Park. Tuesday evening radio nets meet weekly at 7:30 except on monthly meeting nights. Wednesday lunches are from 11:00 to 12:30 at the Hitching Post at Wickenburg Country Club. Everyone is welcome.

CHECK-INS:

Please give your call sign only, then when called, let us know how you are doing and give any QSTs. Please also indicate if you have items for the Swap so I may call you back.

Take check-ins (pause):

- HARK members?
- Who else would like to join?

Log all call signs to call back, then call EACH to check in. Make another call for check-ins after everyone is called.

QSTs:

Re-announce any QSTs and ask for any more.

Additional Rounds:

Ask if anyone has a topic they would like to discuss. It does not have to be radio related. Decide on a topic then call each person again to comment then ask for any additional check-ins. Continue with the current topic or choose another for the last round. Call everyone again then ask for additional check-ins.

HARK Suggested Tuesday Net Script (1/27/26)

SWAP:

Ask if anyone has any items to list for the SWAP...? Note those who want to list something.

If listing an item or item(s), please...

- Give your name and call sign before announcing your transaction;
- If more than one item, tell us how many and describe each in detail including manufacturer, model, condition and price;
- Alternatively, if you have a Want, tell us what it is (item or information);
- Please end with your name, call sign, phone number or email address.

Call anyone who said they have SWAP items:

- Anyone else with SWAP items?
- Any more check-ins for tonight's Net?

CLOSING:

The next club meeting will be on Tuesday, February 10th, at 6:30 in the Community Center (formerly Activity Center) at North Ranch RV Park. Tuesday evening radio nets meet weekly at 7:30 except on monthly meeting nights. Wednesday lunches are from 11:00 to 12:30 at the Hitching Post at Wickenburg Country Club. Everyone is welcome.

The HARK website is HARKaz.org, phonetically Hotel-Alpha-Romeo-Kilo-Alpha-Zulu.org.

Please also check into the Daily Arizona Weather Net (DAWN). It meets everyday at 6 A.M. and 4 P.M. on the Wildflower Mountain repeater. That's on 145.350 and on UHF links in Wilhoit and Phoenix at 445.350, all with 162.2 PL.

Special thanks to Chico, N7LOQ, for use of his repeater on Yarnell Hill, and to all who participated. Wishing everyone a good evening. This is <name & call sign>, closing the Hassayampa Amateur Radio Klub weekly net at <time> and returning the frequency to general-purpose use. 73!
